1. The City of Colton unsecured roll decreased by \$142,000 basically due to several large firms that went out of business.
2. The City of Fontana unsecured roll increased by \$2,500,000 due primarily to new business. Seven new businesses accounted for \$905,000 of the total increase.
3. The total unincorporated area unsecured roll shows a decrease of \$622,000. This is a result of the incorporation of Rancho Cucamonga moving \$28,000,000 assessed value out of that total.
