The clerk shall utilize the Subsequent Arrest Notification Contract provided by the Department of Justice for notifications subsequent to the initial certificate of registration.

(b) If, after receiving the results of the Request for Live Scan, the clerk is advised that the registrant has been convicted of a felony, the presiding judge of the superior court of the county in which the certificate of registration is maintained is authorized to review the criminal record and, unless the registrant is able to produce a copy of a certificate of rehabilitation, expungement, or pardon, as specified in paragraph (2) of subdivision (a) of Section 22351, notify the registrant that the registration is revoked.
